(1) Mr. D. C. Sumivasa Dy. Enggr. not
Engineer D. O. W. now Head Master of
the Engineering School Mysore and who
stands referred to the D. O. W. was first
granted an allowance of Rs 50/- per
month in addition to his grade pay in the D. O. W.
on account of the latter duties and the
allowance was subsequently withdrawn
by G. O. No. 5702 & Rev. 192-10 dated 17.2.1912.
His prayer for reconsideration of the
order was declined in G. O. dated 11.9.1912
(No. 2224-5 Rev. 392.11) but on a further repre-
sentation the allowance was restored to him
vide G. O. No. 6547-9 Rev. 214.12 dated 27.2.13.

2) The D. F. of Education recommended the
grant of the allowance to Mr. Sumivasa
Dy. Eng. also who has been since posted
as Head Master in place of Mr. Sumivasa
Dy. Eng. The G. O. of 1.2.27th February 1913
however sanctions the allowance in the
case of Mr. Sumivasa Dy. Eng. personally
and not for the appoint ment in
general. The present recommendation
is therefore a matter for orders.

3) Mr. Sumivasa Dy. Eng. is said to get
at present an allowance of Rs 50/-
as Secy of the Chamarajendra Technical

and Industrial Sections. The D. F. of Edu-

The G.O. of 27-2-13 makes it applicable to the case of the retiring Head master only + fresh orders are therefore necessary with regard to the special allowance. The considerations set forth in the Dewan's letter to Mr Campbell of 8-2-13 seem to apply to the present case also.

2 The draft order put up gives the recommendations of the Inspector General clearly

*Page 5 of the
office notes*

3 The Financial Secretary is of opinion that the additional allowance of Rs 50 per mensem as Secretary to the Chamarajendra Institute Committee should cease as he is now directly connected with the Institute He thinks that an allowance to the Head Master of a school for acting as Secretary to the School Committee can hardly be justified

4 In this connection, I beg to invite reference to the following observations made by me on a former occasion while recommending the grant of an allowance of Rs 50 to Mr B C Srinivasa Iyengar

Para 4 of Fl V

"The post of the Head Master of the Engineering School requires special aptitudes, not ordinarily possessed by officers of the department, and when an officer has been chosen for the appointment on account of his qualifications, it seems to be desirable to make it worth his while to take up work which is outside the scope of his department The improvement of the Engineering School is engaging our earnest attention, and I think it very necessary to attach a special allowance of Rs 50 per mensem for the post of the Head Master in addition to his grade pay in the department, to make it attractive "

The foregoing remarks still hold good Mr Srinivasa Iyer will, in addition to the duties which devolved on his predecessor as Head Master of the Engineering School be responsible for the organization of the whole institution and as such, I agree with the First Member that he deserves a higher local allowance of Rs 100 per mensem

*Page 6 of
the office notes*

5 I solicit sanction to grant a local allowance of Rs 100 per mensem to Mr Srinivasa Iyer during the time the two duties are combined The draft order may be approved
